

FLU, COLD, VIRUSES AND ZOMBIES?

Immune Tree can offer healthy support to ward off those Nasty Intruders!

With one out of every four people carrying a contagious virus, isn't it about time you start protecting yourself?

Immune Tree first-milking Colostrum contains:

- ✓ 10x more vitamin A
- ✓ 3x more vitamin D
- ✓ 10x more calcium
- ✓ All of nature's natural immune factors

A study showed that, although the flu vaccine will reduce your odds of contracting severe flu by nearly 30%, colostrum was three times more effective than the flu vaccine in reducing flu days.*

* Belcaro G., et al. Prevention of influenza episodes with colostrum compared with vaccination in healthy and high-risk cardiovascular subjects: the epidemiologic study in San Valentino. *Clin Appl Thromb Hemost.* 2007 Apr;13(2):130-6.

“According to a major medical journal, Colostrum, both in healthy subjects and high-risk cardiovascular patients, is at least 3 times more effective than vaccination to prevent flu and is very cost-effective.”*
